

### Partner Government Agency Electronic Filing Status in ACE

3/7/2017

This document is a summary for informational purposes only. It does not have the force and effect of law or regulation. Interested parties are advised to review a Participating Government Agency's regulations to determine actual requirements and options for submitting import and export data. Additionally, please note that there may be delays between the time a PGA promulgates new regulations and the time CBP updates this document.
